\* DOHQD 3DUN , 6' ¶ V % RDUG RI 7UXVWHHV DSSURYHG FDOOL meeting on February 16, 2016.

Voters will decide whether to approve the \$290 million dollar bond proposal. The district currently intends to use the bond, if approved, to address aging facilities, student safety and building new facilities. Under the current proposed use, all 23 GPISD school facilities and support facilities would receive renovations and upgrades.

Specific proposed uses for the bond funds include:

- o Rebuild 6 Elementary Campuses
- o North Shore 10<sup>th</sup> Grade Center
- o Renovations and Upgrades to all R W Campuses
- o Land Acquisition for ) D F L O L W \ 2 S S R U W X Q L W L H V

More than 70 percent of GPISD buildings are 24-77 years old, and a recent assessment by independent school facilities experts identified more than \$500 million in renovation and construction needs throughout the district. This list does not reflect the routine maintenance GPISD regularly performs on district buildings. It is a result of mechanical, electrical, heating and cooling systems reaching the end of their life cycles, as well as changing state and federal standards and regulations. The \$290 million dollar bond proposal represents those needs deemed most critical: approximately one-third of the R Y H U R V O D G Y S H L W L J H Q V ¶ F R P U W K D G H R S I O P R S C H G V H U P L Q H priorities and made recommendations to GPISD Trustees.

The board currently plans to use approximately \$217.5 million for the replacement of 6 elementary schools and a 0<sup>th</sup> Grade Center, along with \$70 million to address facility deficiencies at all district campuses and support facilities, plus \$2.5 million for land acquisition to address future growth.

Voters will decide May 7<sup>th</sup> whether to approve GPIS ' ¶ V P L O O L R Q G R O O D U E R Q G proposal. The last day of voter registration is April 7<sup>th</sup>, and early voting begins April 25<sup>th</sup> through May 3<sup>rd</sup>. Early polling locations include Galena Park Middle School and the GPISD Administration Building.

If voters approve the b
