## Galena Park ISD Names Holiday Card Contest Winner

**Houston, TX:** Yamila Cuevas, an 11th grader at Galena Park High School, readily accepted the challenge to design Galena Park ISD's 2022 holiday card. When her art teacher, Diana Resendez, shared the contest rules, she got to work! Cuevas' artistic talent and Resendez ensuring adherence to design rules resulted in a win. Both were elated to see Dr. Moore, Superintendent of Schools, when he visited to congratulate Cuevas on her win. Cuevas' design, and others, was voted on by GPISD employees.

The holiday cards will be delivered electronically to GPISD families and mailed to GPISD Community Partners – be on the lookout for yours!
