School Processes & Programs Summary

All teachers and paraprofessionals at Normandy Crossing Elementary are highly qualified. All new teachers are assigned a mentor, and a teacher on their grade level serves as their "buddy ". Classroom schedules were created to maximize instructional time according to each grade level and their needs, as learning time is vital to all students' educational success.

Perceptions Summary

Based on surveys, students describe NCE as a safe and friendly school and parents trust our teachers and feel welcomed. At Normandy Crossing Elementary, teachers and administrators communicate with parents via the campus website, Facebook, school letters/calendar of events, the marquee, and the call-out system. Parents and community members participate in NCE's CPAC committee by verbally stating concerns and providing input toward campus planning and improvement goals. All teachers and paraprofessionals at
