

Mission Statement

The mission of the Galena Park Independent School District and North Shore 9th Grade Center is to prepare students to become productive citizens and lifelong learners.

North Shore 9th Grade Center is committed to providing all the necessary resources and strategies so that students reach a high level of academic achievement through rigorous and relevant content and to ensure all students exceed state and national standards.

Vision

North Shore 9th Grade Center envisions Leading, Learning, and Serving our students and community.

Value Statement

North Shore 9th Grade Center will Lead, Learn, and Serve in Excellence in all, for all, and by all.

North Shore Ninth Grade Center's diverse student body creates a rich learning environment where students from various backgrounds bring their unique perspectives and experiences to the classroom. Students may also be able to learn and interact with peers who speak different languages, which can enhance language skills and encourage students to become bilingual. Students can learn to appreciate and respect differences, develop effective communication skills, and collaborate with individuals from diverse perspectives. With increased student exposure, they are more likely to engage in critical thinking, problem-solving, and creativity, which allows students to benefit from a variety of teaching methods.

Students are steadily improving in Approaches for Biology and English I. Meets and Masters for English increased this year despite the new items types that were added to the exam. Student learning reporting categories are not yet available in Eduphoria. However, with plans to start the 23-24 school year by continuing to focus on new item types and ensuring bell to bell student learning, we should continue to see a steady increase in EOC scores.

Rtqdn g o "Uvcvg o gpv"3< The performance gap between general education students and special ed students is too wide. **Tqqv"Ecwug<** Lack of adequate differentiation and planning consistency among staff.

Rtqdn g o "Uvcvg o gpv"4< NS9 needs a system to determine how well our interventions work **Tqqv"Ecwug<** We need to track data with who comes to tutorials and pullouts by having students log in with their ID numbers so that we can track students attending on google doc.

We propose spending more time on cross-curricular activities to reinforce Citizenship concepts. We will need Professional Development to improve the teachers' abilities to implement more SEL lessons in the classroom. We should provide student/parent education on attendance as well as student incentives and relationship-building to improve student attendance. We will need to create more of a school-to-home connection by inviting the community into the school for programs and fun activities. We would like to increase the professional development provided for working with ELL students and encourage teachers to obtain their ESL teaching certifications. We would also like to continue to post all information in English/Spanish.

Less than 50% of our staff participated in the school survey. However, the results stated that professional development supports teacher growth, the staff is offered opportunities to participate on committees that help make school decisions, and they also believe that new initiatives can be overwhelming at times. Planning time was a huge deal, and we have provided a larger salary.

Rgtegrvkqpu"Uvtgpi vju

The identified strengths were competitive teacher salaries for the school year and a signing bonus. Our parents continue to utilize the Skyward parent portal to access grades, attendance, and other student information. There continues to be sufficient parent communication regarding parent and family engagement activities at NS9. Last year we had great turnouts at 3 Fall events: Orientation, Take Your Dad to School. and our Holiday event.

Rtqdn g o "Uvcvg o gpvu"Kfgpvkh{kp i "Rgtegrvkqpu"Pg gfu

Rtqdn g o "Uvcvg o gpv"3< Student attendance rates need to increase. **Tqqv"Ecwug<** Students and parents have not been directly involved in the development of incentive plans.

Rtqdn g o "Uvcvg o gpv"4< NS9 does not provide enough opportunities for parents to learn and get comfortable with programs and services offered. (Skyward, RevTrack, Counseling services for students, etc.) Most parents who work and are unable to attend morning or during school programs sometimes miss out on these opportunities. **Tqqv"Ecwug<** Not enough time/date variations for the meetings/activities.

Rtqdn g o "Uvcvg o gpv"5< NS9 does not have opportunities for parent trainings on different topics. (Skyward, Google Classroom) **Tqqv"Ecwug<** Personnel available to teach such topics. Who would do it?
